EXPERIENCE

Intern (Graphic Design and 3D Modeling)

Primero Games

July 2024 - Current

- Edited 3D models to have cleaner geometry and the correct shaders/textures
- Created 3D renders of products to be used in marketing advertisements
- Created multiple graphic designs for miscellaneous projects
- Used simple photoshop techniques to create rough visuals of what future products would look like
- Resized and/or reconfigured thumbnails for online games

Search Quality Rater

Welocalize

June 2024 - November 2024

- Accessed and rated websites based on the quality of there pages and the information on those pages
- Compared side by side search results to see which one answered users questions better
- Rated AI voice assistants based on how well they answered users questions and to see if there were any audio discrepancies
